LIEUTENANT GOVERNOR

Campus Community Partnership Foundation

Dear Friends,

I applaud the efforts of the Campus Community Partnership Foundation in organizing the Mentor Walk in Georgia to inspire and encourage children to finish school, attend college, and make healthy choices. Engaging college students as role models for children to help them build skills to succeed and celebrate mentoring is commendable. This is a visionary program sure to positively impact innumerable young lives. I am excited about this program and honored to participate.

Sincerely,
