It is my great pleasure to thank you for your commitment to the education of the residents of our state by planning the Mentor Walk on September 10th to help focus on high school drop outs and college attendance. I know you have always been an outstanding supporter of education in our communities, and the inspiration you and all those involved in Mentor Walk are providing our young students is commendable.

Because of your vision and guidance, I am sure the upcoming Mentor Walk will be a great success. Your contributions to the community are well-known and very much appreciated, and I thank you for your dedication to reducing our state's high school drop out rate while supporting college matriculation.

Sincerely,
